

# Recognition of Prior Learning

## Policy Preamble

---

This policy is applicable to Students that have credentials issued by another Registered Training Organisation based in any State/Territory of Australia and are seeking to have those credentials recognised and accepted towards the Diploma of Sport Development or Diploma of Leadership and Management qualifications.

## Policy Statements

---

### Key Policy Statement

Australian College of Sport (ACS) recognise AQF Qualifications and VET Statements of Attainment issued by another Registered Training Organisation based in any State/Territory of Australia.

This can include:

- Statement of Attainment for specific module(s), Unit(s) of Competency or Unit(s) of Study
- Complete qualification such as a Certificate or Diploma
- Additional evidence as requested

As part of this recognition, verification of the organisation's registration status is ascertained from [www.training.gov.au](http://www.training.gov.au) (TGA), the database on Vocational Education and Training in Australia.

Applications should be received prior to enrolment in the particular Unit(s) of Study. An application will be considered received when an ACS Recognised Prior Learning (RPL) Application Form has been completed correctly, and returned by the student.

To request a copy of the RPL Application Form please email [admin@collegeofsport.edu.au](mailto:admin@collegeofsport.edu.au)
